

CAPABILITY STATEMENT

Stratum Defense is a Service-Disabled, Veteran-Owned Small Business delivering executive protection and protective intelligence, all-source intelligence analysis, and professional training and development to federal and commercial clients. Founded by industry experts with more than 15 years supporting the U.S. government and military, Stratum pairs a cleared, credentialed team with disciplined program management to deliver mission-critical results.

Core Competencies

- **Executive Protection & Protective Intelligence:** program assessment, advance operations, protective intelligence, open-source intelligence, and physical-security advisory.
- **All-Source Intelligence Analysis & Production:** threat assessment, indications and warning, and finished intelligence integrating multiple disciplines.
- **Training, Development & Professional Services:** protective-operations, all-source intelligence, and program management instruction; PMO support and full program execution.

Professional Experience

- All-source intelligence analysis and watch operations supporting U.S. Central Command, the Defense Threat Reduction Agency, and the intelligence community.
- Warnings-and-analysis branch leadership in U.S. Army strategic intelligence
- Protective intelligence and high-risk protective service supporting the Pentagon Force Protection Agency and U.S. Navy.
- Force protection (U.S. Department of State) and information security (FBI, DOJ).
- Program and portfolio management of federal services exceeding \$100M in funded value.

Past Performance

Executive Protection Program Assessment

Commercial Financial-Sector Client (2026)

- Comprehensive, standards-based assessment of an enterprise executive-protection program across ten security domains.
- Delivered directional ratings, prioritized recommendations, and a phased implementation roadmap.
- Methodology aligned to ASIS, the BEPP/EPS framework, and U.S. Secret Service NTAC and FBI behavioral-threat research.

"We had an outstanding experience working with Stratum. Their team demonstrated exceptional professionalism, deep expertise, and a strong commitment to delivering value."

– Financial-Sector Client

Differentiators

- Service-Disabled, Veteran-Owned: eligible for sole-source and competitive set-aside awards.
- Cleared, credentialed team; PMP-certified program management.
- Decades of combined military, intelligence, and law-enforcement experience.
- Standards-based, audit-ready methodology.
